## 1. Introduction

My Health Learning also known as MHL can be accessed via any standard internet browser with internet access. No client-side software installation is required.

Type <https://myhealthlearning.citc.health.nsw.gov.au>

## 2. Operating Systems

### 2.1 Certified operating systems:

- Windows 8.1, 10

### 2.2 Functional but non-certified operating systems include:

- Mac OS X (10.5) and later

### 2.3 Tablets/Smartphones

- **iPad/Android Tablet/iPhone/Android Phone**
  - Please note while the My Health Learning system can be accessed via a Tablet or Smartphone, courses may not be compatible and therefore may not launch or complete correctly.

## 3. Web Browsers

### 3.1 Supported standard browsers include:

#### 3.1.1 Recommended

- Microsoft Edge 79 or Higher 
- Google Chrome 79 or Higher 

#### 3.1.2 Functional but not supported

- Firefox 47 or Higher 
- Safari 9 or Higher 

## 3.2 Non-Supported and Non-Functional Browsers

- Internet Explorer 11 () Document Mode: 11 – Microsoft de-supporting in 2021 in line with support for Office 365.
- Microsoft Edge Legacy ()

### Upgrading Edge Legacy

As of January 2020, the original branch of Microsoft Edge has been discontinued and is now considered the "legacy" version. It won't receive updates and security fixes, so anyone who is still running it should upgrade immediately.

Original Edge Logo  Should become... 

*If Microsoft Edge Legacy is still installed, please report the Computer issue to the Local IT Team or update browser if possible*

### Important

*The Microsoft Edge Legacy desktop has reached end of support and will not receive security updates.*

## 4. Site Specific Requirements:

### 4.1 Trusted Sites

It is recommended that the following trusted sites are added to your internet setting to optimise the use of My Health Learning:

- <https://myhealthlearning.citc.health.nsw.gov.au>
- [myhealthlearning.health.nsw.gov.au](https://myhealthlearning.health.nsw.gov.au)
- [hotionline.health.nsw.gov.au](https://hotionline.health.nsw.gov.au)
- [\\*.health.nsw.gov.au](https://*.health.nsw.gov.au)
- [nswhealth.seertechsolutions.com.au](https://nswhealth.seertechsolutions.com.au)
- [nswhealthcontent.seertechsolutions.com.au](https://nswhealthcontent.seertechsolutions.com.au)
- [analyticsnsw.seertechsolutions.com.au](https://analyticsnsw.seertechsolutions.com.au)
- [nswhealthtest.seertechsolutions.com.au](https://nswhealthtest.seertechsolutions.com.au)

**Note:** Please also ensure that https inspection exceptions are added to the proxy server for the above domains.

### 4.2 Content Specific Requirements:

- JavaScript.
- Enable Cookies
- Enable Ajax
- Adobe Acrobat Reader
  
- **Adobe Flash** – This is no longer supported by My Health Learning in line with Adobe’s announcement of Flash Player End of Life (EOL) after 31 December 2020 (“EOL Date”).

## 5. NSW Health CIT Document

### 5.1 Update Request for 2021 onwards

#### 5.1.1 Learning Management System Requirements

- Recommended Browsers – As above
- Additional Supported Browsers – As above

### 5.2 Browser Settings Required

#### Pop-Ups

- For all Browser types and versions allow for pop-ups to occur for the external website:
  - Allow Pop-Ups for: [\\*.seertechsolutions.com.au](https://*.seertechsolutions.com.au)
  - This will allow content to be launched in a new window.

#### 5.2.1 Internet Explorer 11

As per 3.1.2 - Microsoft de-supporting in 2021 in line with support for Office 365.

- **Group Policy Object (GPO)** Internet Explorer 11.
  - Remove [\\*.seertechsolutions.com.au](https://*.seertechsolutions.com.au) URL from the Enterprise Mode Site List as per the standards used for Internet Explorer 11 forcing to open in Document Mode 11.

#### 5.2.2 Microsoft Edge

- Version 79 or Higher

- **Group Policy Object (GPO)** Microsoft Edge.
  - Remove [\\*.seertechsolutions.com.au](https://*.seertechsolutions.com.au) URL from the Enterprise Mode Site List as per the standards used for Internet Explorer 11 forcing to open in Document Mode 11.

#### 5.2.3 Google Chrome

- Version 79 or Higher
