

TESTIMONIES

Teachers and Principals:

What did you like most about having the Exploring Together group program at your school?

“The facilitators are great—Working well with both children and parents. Thank you Got It! Team” **(South West Rocks Public School 2019)**.

“I loved having the exploring together program at our school. It helped families and kids connection in a place where kids feel safe. Second step is an excellent whole school program to support our whole school. excellent communication and resources” **(Nana Glen 2020)**.

“Working with both parents & students. The ongoing support for families and feedback from families that it was very practical and made a positive impact at home” **(Kempsey East 2019)**.

“The impact it has had for students wellbeing and the positive connections with our families” **(Nana Glen 2020)**.

Parents:

What did you like most about the Exploring Together group program?

“That everyone was in the same boat, it was very reassuring to know I’m not alone. The other parents and coordinators were always happy to listen and help” **(Repton Public School 2018)**.

“It’s nice to know we weren’t alone. It helped me be a better mum and understand my child better” **(Kempsey East 2019)**.

“Boosted my confidence as a parent, and increased connection with my children” **(Korora Public School 2019)**.

“Support, humour, trust, no judgement” **(Sandy Beach Public School 2019)**.

“Learning new strategies to support my role as a parent” **(Nana Glen Public School 2020)**.

“The realistic way things were explained, the supportive facilitators, the websites and links” **(Frederickton Public School 2020)**.

“Working with a wonderful group of people to share our experiences and gain wisdom as to ways in which to best support our children and ourselves in this journey” **(Bellingen Public School 2020)**.

“The parenting information and techniques were really helpful for us as a family, the whole course was beneficial” **(Crescent Head Public School 2021)**.
